### Description:

FindFloridaEmployment.com is our new Florida job site. Low cost employment ads for Florida Business and Free Job Seeker Resumes.

This job site is for Job Seekers and Employers and Employment Agencies. If you are looking for a Florida Job this is the Right site for you.

Job Seekers can use our very own employment site FindFloridaEmployment.com for jobs with us, Florida City Net,inc. or any other employer that wants to use our job site.

Employers will want to use our job site because of our Low-cost job ad packages.

We opened this site because we are hiring Advertising Reps across Florida. You can find and apply for our job openings at the site. We found that the newspapers and major job sites charged outrageous fees.

When we saw the high cost to hire a dishwasher or a senior executive we decided to do something about it.

At Florida City Net,inc. We provide Florida small business a strong and powerful Internet Presence that allows them to conduct their business On-line. We know how to do business On-line.

So we opened [www.FindFloridaEmployment.com](http://www.FindFloridaEmployment.com) so Florida Small Business can have a Low-cost job site for any jobs they need to fill without having to check their budget before they place their ads.

Smart Florida Job Seekers with their Resumes on the site can apply for jobs with a click. That is really so great, I love it. Fill in your Resume,build it, fix it, change it, update it and when the right job comes along click "Apply for Job" and you have applied for the job.

Job Seekers Please join this site. We'd love for you to post your Resume on our site but you don't have to you can still browse the jobs on the site.

Employers Please add your job openings to our site. It's a new site but it will grow fast.
