

Dental Clinic

Description:

We have used a Dental Clinic as an example of how Strong and POWERFUL this Advertising can be for You. This is the Main Page of your Ad. It's a Huge 1,500 Characters (Letters & Spaces) long! That's a full Page of writing! Don't worry though, You don't have to fill it. You can write a little now and come back and change it or add to it any Time you like from your home or office, anywhere you have Internet access. Hey and don't count your address, phone, fax, or cell numbers. Don't count your three One-Click links either. One link is for your e-mail, your client can e-mail you right from our pages, right here, right now. That's a great feature. Hey no worries our internal mail system protects your e-mail address. The second link brings up a Map to Your business courtesy of MapQuest, if they put in their address they get a printable map with Driving instructions. The third link instantly brings them to your web site***WE SAID THIS IS POWERFUL****These Huge ads have so many EASY, CONVENIENT ways for your clients to make that all important first contact! BUT WAIT! that's less than half of it your Ad can be placed under up to 10 HEADINGS Showcase MORE of YOUR Services, Cover all your Bases.*NOW ADD MORE POWER* Included in your Premium ad are 10 service offers, that's 10 1,000 Character ads with a picture! This feature is SO POWERFUL we have to show it to you. Click on the services link in the middle of the page and see for your self*REAL 21st CENTURY ADVERTISING*
